citi square

global

An elegant presentation with timeless appeal.

Our most popular lounge series goes uptown with a new metal frame design. An optional double width cushion compliments the new look, available on both the freestanding models and modular configurations. Citi Square is available with standard foam or an optional Ultracell foam (UC).

The new Citi Square tables are available in a variety of sizes and numerous contemporary laminate finishes with integrated power delivery and USB charging for mobile devices (optional). The full metal frame that defines Citi Square is available in polished chrome as well as a durable, powder-coated epoxy paint finish in Tungsten or Black.

Left to right: S7875FUC Lounge chair shown in Allante, Oxford (A47E) with Chrome legs (CHM). S7911W1 End Table with Power module and S7904FUC Four seat Sofa with two cushions. S7916 Rectangular Coffee Table shown in White Chocolate (WHC) with Chrome finish (CHM).

Blurring the lines between how we work and how we live.

Citi Square is also available as a sectional to create a relaxed and personal atmosphere in large open spaces or efficient seating configurations where space is at a premium. Sectionals are available in one, two, three and four seat modules and feature integrated corners with the ability to create right or left handed configurations. Citi Square tables complement both sectional and freestanding applications.
