Recalculating the value equation

Factor™ seating recalculates the value equation for work chairs with adjustable lumbar support, weight sensing synchro-tilter mechanism, and fixed or adjustable arms. Choose from three contemporary frame finishes and a spectrum of mesh colors. You just won't believe the price.

Seating shown in LUUM Cross Dye, Artichoke with Lime mesh backs, Cloud frames and bases.

Lightweight, intuitive design

Seating shown in Momentum Millennium, Geode with Eggplant mesh back, Cloud frame and base.

Cloud frame and base

Shadow frame and base

Standard Black frame and base

Base options

Base matches frame color selection; casters coordinate with base color

Polished Aluminum

Caster options

Standard dual wheel carpet casters

Optional dual wheel hard floor casters

For collaborative applications in flex and touchdown spaces, Factor goes wherever you choose to work. The lightweight chair has an integrated backrest handle that makes it easy to move between spaces throughout the day. Its sleek profile and monochrome frame finishes complement a range of interiors.

Seating shown in Momentum Infinity, Aluminum with Silver Grey mesh back, Cloud, Shadow and Black frames and bases.

Adjusts to your day

Raise or lower to support your forearms with optional height adjustable arms and height adjustable arms with side sliding armcaps

Side activated seat depth supports a range of body shapes (standard on weight sensing synchro-tilter mechanism)

Seat lowers gently with standard Soft Descent™ pneumatic lift

Contoured molded foam cushion offers comfort and support

Seating shown in Momentum Infinity, Aluminum with Silver Grey mesh back, Shadow frame and base.
